

An Industrial Visit to SHIVA PIGMENT, ANKLESHWAR

An industrial visit to SHIVA PIGMENT INDIA LIMITED, ANKLESHWAR was arranged for the 5th Semester students of Chemical Engineering. The visit was conducted by Prof. Vishal U. Shah, where total 60 students have benefitted from this visit. The main agenda for arranging this visit was to enhance the practical knowledge of the students, to relate the theoretical concepts with real time problems and solutions, and most importantly to give them the exposure to an industrial setup wherein they are going to be eventually working as Chemical Engineers.

It's a big Pigment plant established in Ankleshwar G.I.D.C, students visited all practical process and working equipment in guidance of Mr. Suresh Virani (Director of Shiva Pigment).
