

Campus Visit by DHARMAJIVAN HIGHER SECONDARY SCHOOL, SURAT

It is our pleasure to announce that students and faculties of DHARMAJIVAN HIGHER SECONDARY SCHOOL, SURAT visited S. N. Patel Institute of Technology & Research Centre Umrah. Students explored various departments and grabbed knowledge about scopes and aspects of engineering fields. Students and faculties of the school participated actively in technical discussions during the visit. They were taken to the laboratories and workshops to educate them how to apply different engineering principles in real means.
