THERE ARE FOUR CHARACTERS IN THIS STORY

			
HEM	HAW	SNIFF	SCURRY
Who does not want to change	Who is started by change but changes and moves on to new cheese	Who can smell change in the air	Who goes into action immediately

Later Dr. Haribhai Shastri, speaker took over the dais for a detailed discussion and evolving the mystery and lessons within the story from a best seller book titled “Who Moved My Cheese?” An Amazing Way to Deal with Change in Your Work and in Your Life, published on September 8, 1998, a motivational tale by Spencer Johnson. The session began with a fun game that taught & realized the audience that life has tendency to flow in a steady frequency despite of changes coming to it which causes trouble. Whole session was full of learnings, energy and fun where the attendee were motivated, inspired & guided about the way to deal with change in work and in life.
