

A REPORT ON VMC (VERTICAL MACHINING CENTRE)-TRAINING

Department Of Mechanical Engineering organized a Eight day training on “CNC Training and Simulation with SIEMENS System”.

Mr. Jatin, Senior Manager (Application) along with Mr. Biren Patel, Assistant Manager (Sales) of 'JYOTI CNC AUTOMATION (P) Ltd. Were trainers who conducted training for Mechanical Engineering faculties and post graduate students.

The training included the following:

1. Fundamentals of VMC
2. Usage of VMC Machines.
3. Types of Programming software like FANUC, SIEMENS etc.
4. Writing and Simulation of Turning Programs and Milling Programs.
5. Actual fixture making for VMC Tools for holding

All the faculties were actively involved throughout the training by continuously interacting with the trainers and practicing on the simulators with enthusiasm. The training program completed with a valedictory function where positive feedback about the training was delivered by faculty members.

Beneficiary of VMC Training program are as following:

SR NO	NAME	POST
1	Dr. Piyush Jain	Head of Department & Vice Principal
2	Mr. Vishal Dhimmar	Assistant Professor
3	Mr. Milan Patel	Assistant Professor
4	Mr. Arif varsi	Assistant Professor
5	Mr. Ripal Patel	Assistant Professor
6	Mr. Hardik Naik	Assistant Professor
7	Mr. Jay Patel	Teaching Assistant
8	Mr. Jeenal Patel	Teaching Assistant
9	Mr. Ajay Patel	Workshop Instructor
10	Mr. Jignesh Soni	Workshop Instructor
11	Mr. Kanti Parmar	Workshop Instructor
12	Mr. Hardeep Patel	Workshop Instructor
13	Mr. Vishal Bhatia	Machine Operator
