The students were overjoyed when they broke the 'Dahi Handi' (pot of butter & curd) to grace this occasion. Dahi Handi is the most ancient joyful game played and celebrated, for the birth of Krishna in Janmashtami. It is celebrated amidst merriment. A competition was organized as each department boys gathered to form teams, make a human pyramid and attempt to reach or break the pot, whichever team does it in minimum time wins it.

The event is based on the legend of the Krishna stealing butter and other milk products as a baby (he is also called Makhan chor). This holy occasion brings people together, thus signifying unity and faith.
