

## A Report on Series of Expert Lectures delivered by the Honourable GNFC Executives

S. N. Patel Institute of Technology & Research Centre (Degree College) is a premier institution approved by the All India Council for Technical Education (AICTE), New Delhi and affiliated with Gujarat Technological University (GTU), Ahmedabad, Gujarat imparting technical education offering degree engineering courses in Civil, Electrical, Mechanical, Chemical, Computer & EC.

With the aim of equipping the students by bringing the industry knowledge into class rooms and making the participants competitive through interaction with top professionals, SNPIT&RC has arranged a series of expert lectures by Honourable GNFC executives **Shri R. R. Khandpur (Secretary, IICHe-ARC and senior manager)**, **Shri Arpit Patel (Engineer, GNFC)**, **Shri P. D. Ashara (Engineer, GNFC)**, **Shri D. D. Udawat (Senior Engineer, GNFC)** and **Shri Snehal Tralsawala (Treasurer, IICHe-ARC)** on **17<sup>th</sup> April 2018** on various significant topics such as – crystallization, filtration, drying, heat exchangers, turbines, compressors, customer focus and Hazards & operability study under the banner of IICHe-ARC.

In that regards, the respected dignitaries had been falcitated by the faculty members of chemical engineering department for delivering such an enlightening lectures and sharing their precious time and knowledge with our students.

Along with the memorable interactive session of expert speech, meritorious students in 7<sup>th</sup> semester (Priya Das, Harsh Mahadevwala, Aakash Khunt) of chemical engineering department, SNPIT & RC were awarded by IIChe-ARC.
