

A Report on “International Women’s Day”

S. N. Patel Institute of Technology & Research Centre, Umrakh had celebrated International Women’s Day. A woman brings us on the earth, she nurtures us day and night and she does make us what we are today. Henceforth, any amount of appreciation would never be able to justify her sacrifices, she makes all her life where she merely gets acknowledgement for being a mother, daughter, wife, sister or a companion. Making an effort to salute to the diversity and talent that lies within a feminine heart and the courage and determination that actually prevents us falling apart is done through ‘INTERNATIONAL WOMEN’S DAY’. And, so was the day when an event was organized at SNPIT & RC, Umrakh on 8th March 2019 to be rejoiced about being a woman. The celebration got added to the glory with the Renowned Chief Guest, ‘Dr. Brijesha Chauhan’, a proficient Cosmetologist who has pursued BHMS, CSD and CVD and owns RADIANCE SKIN CLINIC & COSMETIC LASER CENTER at Surat, founded in 2012 along with our beloved Principal, Heads of Department, Teaching and Non- Teaching staff and the high- spirited girls.
