

A Report on NSS Marathon Participation

“NIGHT MARATHON” (Run For New India)

“Finishing a Marathon is a state of mind that says anything is Possible”

Night Marathon in Surat – it was far more than just running. It was a short vacation during a long weekend, it is the culture and shopping, it is Social Gathering at the same time. Surat is one of the most beautiful and clean city, small and exquisite with a pinch of extravagance. The Surat Night Marathon forges links between the different parts of town, between sports and culture, between the more than 100 nationalities living in city. The aim was to celebrate with each and everyone in the small alleys of the city.

This was the 5th Edition of the event and since it's beginning in 2013, the organizers are committed to give their best for the success of this event.

For the Night Marathon, even our honorable Prime Minister Shri Narendra Modi was invited for the event. With him many of the Delegates and Bureaucrats attended the event.
