

## **Expert lecture on “Transportation Problems and Optimization Techniques”**

---

The department of Mechanical Engineering had organized an Expert Lecture on “Transportation Problems and Optimization Techniques” as a part of subject: Operation Research on 25/07/2018 at SNPIT&RC, Umrakh. The speaker was Dr. D. B. Naik, Ex. Training and Placement Officer at S. V. National Institute of Technology, Surat. He had almost thirty five Years of experience in teaching. He is expert in the field of production engineering and operation research.

The students of final year Mechanical Engineering and faculty members of the Mechanical Engineering Department were present in the seminar hall at 12:45 pm. The session was started with a welcome speech by Dr. Piyush Jain, Head & Professor, Mechanical Engineering Department. The Expert lecture was provided for about two and half hours. The speaker, Dr. D. B. Naik presented the expert lecture on the following topics:

1. Transportation problem
2. Optimization solution and
3. Specifically Optimization techniques

About one hundred thirty students attended the lecture and took the advantage of the excellent speech delivered by Dr. D. B. Naik. All students attended and understood the topic clearly and successfully. Although in the speech the practice on different problem was emphasized.

The session was then closed by Dr. Shakil Kagzi with a vote of thanks. Students had attended the lecture under the mentorship of Prof. Piyush Savaj, Prof. Dr. Shakil Kagzi, Prof. Arif Varsi and Prof. Vishal Dhimmar.
