## MISSION :

- To provide high quality, innovative and globally competitive learning experience in the major engineering disciplines in undergraduate through creative balance of academic, professional, and extra curriculum programs.
- To provide sustainable, resilient and forward looking technical education to meet ever changing spectrums of demand with human face.
- To provide learning environment that celebrates ethnic and gender diversity, respects experiences, and encourages problem solving through team work.

## VISION :

- Attain regional and international recognition among peer institutions for excellence in both teaching and research.
- Maintain state of the art laboratories and infrastructure to support the education and research for effective learning and research.
- Assemble dynamic body of faculty who exemplify excellence and innovation in the pursuit and delivery of knowledge and will perpetuate the highest standards of engineering education for future generations.
- Promote community synergy by providing a quality education for the students of diverse backgrounds by education and research cooperation with other college within Gujarat Technical University and maintain our ties to the community by emphasizing, accommodating and encouraging life long learning.

*From the Desk of  
Managing Trustee :*

"Our goal is to help build a long term career with leading organizations to address the critical needs of the society and foster economic development in which all stake holders can succeed and are involved in the continuous assessment and improvement process."

## *From the Desk of Director :*

after the Training and placement cell. Institute invites experts from the industry to share their expertise on various themes and topics. Apart from this we send students for Industrial Training and in-plant visit so that they get firsthand knowledge about the industry.

Institute provides platforms like seminar, workshop, and project exhibition so that the students can learn about the industry and the corporate can interact with the students in a less formal atmosphere.

SNPIT&RC students are with positive mind set; shall do things differently (out of the box); Flexibility- Change Management Practical Approach ; Good Interpersonal Skills; Continuous Learning Ability and Adaptability with changing industrial environment.

The batch graduating in May 2013 would have the privilege of completing a unique program which we believe will be well suited to meet your requirements.

I look forward to your participation in the placement process of this institute.

A productive interface between industry and academia, in the current era of a knowledge driven economy, is critical. And this idea appears to have taken deep roots at SNPIT & RC. The board of management comprises members from the industry to provide strong bonds with the industry.

The institute remains in continuous touch with the industry for overall developments of the Engineering and management students. Regular Training and Placement officer looks

## *From the Desk of Principal & Campus Incharge :*

As part of the efforts to develop and strengthen the relationship with the corporate world, SNPIT&RC has delineated long-term strategy to place undergraduates and post graduates students in prestigious organizations.

The institute has nurtured Industry- Institute Interaction by organizing and coordinating frequent industrial visit, in plant training and projects of industrial relevance for the students. The institute has tried to maintain symbiotic, vibrant and purposeful relationship with industries across the country to have an impressive placement record.

We cordially invite you to visit our campus in anticipation of building a long term value addition with your organizations.

Training & Placement Officer

We take great privilege in introducing the second brochure of Training & Placement Cell, Sitarambhai Naranji Patel Institute of Technology & Research Centre (SNPIT&RC), Umrakh-Bardoli. SNPIT&RC started in 2008 with a mission to blend undergraduate education with cutting edge technology and research. Presently SNPIT&RC offers five B.E. programme in Mechanical, Electrical, Civil, Computer and Electronics & Communication Engineering and three post graduation course, i.e., 1) MBA with specialisation in HR and Finance, 2) M.E. (Civil-Construction Management), 3) M.E. (E.C.-Signal Processing & Communication).

With an aim to provide technologists and scientists of the highest caliber who shall involve in research, design and development, SNPIT&RC targets to provide its students with plentiful opportunities to get experienced in the working of the industry and mould themselves into better qualified professionals. With the world warranting change on a daily basis and every field necessitating innovation, We are sure students of SNPIT&RC shall make best use of the opportunities available and meet the requirements of the industry. We are quite confident our students shall perform the best in the work and do justice to the trust placed in them.

Thus, We, on behalf of the entire fraternity of SNPIT&RC, invite companies to provide placement for students and We sincerely look forward to establish a fruitful and long lasting relationship..

# *Institute Profile.....*

Vidyabharti Trust is the name associated with the education for more than three decades near Bardoli of Surat district and has now evolved as a symbol of quality education dedicated to nurture the talent and aspirations of the bright youth of our nation. Vidyabharti Trust comprises:

1) S N Patel Institute of Technology & Research Centre. (Degree & MBA College), (Formerly Vidyabharti Trust Institute of Tech. & Research Centre) 2) Vidyabharti Trust Polytechnic 3) Vidyabharti Trust college of Pharmacy 4) Vidyabharti Trust college of BBA & BCA 5) B.Ed. College 6) Vidyabharti Co-op. Credit Society 7) Aradhna Hospital.

S N Patel Institute of Technology & Research Centre (Degree College) is a premier Institution imparting technical and non-technical education offering various courses :

1) Mechanical Engineering, 2) Civil Engineering, 3) Electrical Engineering, 4) Computer Engineering, 5) Electronics & Communication and three post graduation course, i.e., 1) MBA with specialisation in HR and Finance, 2) M.E.(Civil - Construction Management) 3) M.E.(E.C. - Signal Processing & Communication). The Institute is approved by the All India Council for Technical Education(AICTE), New Delhi and affiliated with Gujarat Technological University(GTU), Gujarat.

Institute offers specialized industry specific technical programme in the field of:

# *Training & Placement Cell (I-I-I) :*

For better placement of students, Industry Institution Interaction (I-I-I) Cell is established to provide close links with the industries. The purpose of the cell is to identify the gap between need of the industry and end product of the institute and being the bridge between the industry, the real world and the institute.

Following activities are carried out under I-I-I Cell :

## **(A) INDUSTRIAL VISIT & STUDY TOUR :**

Term wise study tour to industries are arranged. Such visits give overview of Industrial organizations, their functioning. It also provides an opportunity to interact with the people in the field.

## **(B) INDUSTRIAL TRAINING :**

It is one of the essential component of the course curriculum of all the programmes offered. The Cell remains in contact with industries & organize such training schedules. The training is imparted for 4 weeks and monitored by the institute and the industry both.

## **© STUDENT PROJECTS :**

Students are encouraged to take field projects during the industrial training. The cell also keeps on identifying the industry based projects for the students.

## ***TRAINING FOR FACULTY :***

Faculty of all the programmes are encouraged to take industrial training for 2 to 4 weeks in each academic year to acquaint them the technical aspects which can further be beneficial to the students. Institute is taking extraordinary care for development of Faculty, Staff and Students.

## ***EXPERT LECTURE :***

I-I Cell organizes expert lecture series at the department level. The cell helps to arrange expert lectures on various aspects useful for the community of students.

## ***UDISHA CLUB :***

First meeting of the UDISHA Club was held on April 29, 2012. 20 members of the club (faculties as well as students) attended the meeting. The presentation "Innovation Sankuls" was circulated to the members and discussed. It has also been planned to boost activities of "Shodh Yatra" through Training and Placement cell of the Institution.

## Training & Placement Cell 2013-14

1. For better placement of the students, Industry Institution Interaction Cell (IIC) has been established to provide close links with the industries. IIC is conducting following activities:
2. UDISHA Club: As per the guidelines of G.T.U., club has already been formed on 29th April, 2011 and updated on 5th February 2014.
3. I-TEP: IIC regularly follows the guidelines of integrated training & placement (I-TEP) developed by G.T.U., Gandhinagar.
4. Collaboration for the recruitment of students: Association was made with Monster colleges to support placement of 2013 pass outs. Collaboration with local chamber of commerce has been made for the placement of 2014 pass outs.
5. Invitation for Campus recruitment: IIC has developed a practice for the invitation of campus recruitment. HL Engineers, Navsari; Himson Engineering, Surat visited campus for recruitment.
6. Resume building Competition: It was organised on 11th February 2014 to create awareness regarding "bio-data, resume and curriculum vitae" among the final and pre-final year students.

IIC is continuously encouraging department for various regular practices such as:

1. Industrial Visit/Study Tour
2. Industrial Training
3. Student Projects
4. Training for the faculty
5. Expert Lectures
6. Preparation for GRE, TOFEL, and GMET

## *Environmental Consultancy :*

**Patent:** Indian patent on “Method of Production of Bio-Oil and Device Thereof” is published on 28th December 2013, which is under examination stage.

**Laboratory Up gradation:** Centre is approved as Schedule-I Environmental Auditor by Gujarat Pollution Control Board, Gandhinagar. In order to acquire the technical competence of a laboratory, in terms of confidence in testing, better control of laboratory operations and to establish sound Quality Assurance System, Centre has applied for Accreditation on 7th September 2013 for Testing Laboratory to acquired NABL certified laboratory.

**2nd R & D Project of MNRE, New Delhi:** MNRE, New Delhi has in-principle approved 2nd R & D proposal titled “Co-pyrolysis of Biomass and Plastics” in the meeting held on 20th June 2013. Accordingly revision for the budget is under way with IOCl, Faridabad.

**Best Paper Award:** Dr. Y. C. Rotliwala is awarded for Best Paper presentation titled “Distillery waste water treatment' at 59th Annual Convention of The Deccan Sugar Technologists Association (India), Pune on 10th August 2013.

**Conference presentation:** N. Dhingra, D. Bhanti, Rotliwala Y.C., J. A. Shah and V. B. Pathak, Resource recovery of heavy metal-containing sludge for brick production, presented at International conference on Sustainable Innovative Techniques in Civil & Environmental Engineering, J.N.U., New Delhi, May 2013.

Environment Day Celebration: 5th June 2013 was celebrated as an Environment Day by the team of Environmental Audit. In order to reduce the use of plastics, Dr. J. A. Shah and his audit team had distributed paper bags in the Bardoli town. Moreover, laboratory model “Plastics to Oil” was demonstrated to the people of Bardoli.

National level conference, REEP 2013: With the intention to provide a platform for new advances and research in the fields of Renewable Energy and Environment Systems, two days National Conference on “Renewable Energy and Environmental Protection (REEP 2013)” was organized on 11-12th May 2013 by Centre for Environmental Research in association with GPCB–Gandhinagar and ISTE-New Delhi. It was sponsored by various Central Government organizations such as MNRE, DST, INSA- New Delhi. Further, it was partially funded by UPL-Ankleshwar, VWM-Vapi, Yes Engineers-Vadodara, etc. The conference was inaugurated with the welcome speech of Dr. J. A. Shah, Principal followed by speech of Chief Guest, Shree L. K. Jain, Station Director, Kakrapar Atomic Power Station, Vyara and Guest of Honour, Shree SubhasGantayat, V.P., ABG Shipyard, Hazira. The conference was attended by 85 participants, which mainly includes faculties, students of engineering disciplines and Industries. Moreover, it was benefited to some NGO and farmers of local community.

## *Faculty Achievements:*

1. Dr. Neeraj D. Sharma has achieved Ph.D Degree from NIT Surat in Civil Engineering
2. Mr. Hiren A. Rathod has secured GTU gold medal during last convocation held at GTU in the branch of Construction Engineering and Management
3. Mr. Vyom B. Pathak has joined Ph.D Course at NIT Surat in Applied Mechanics Dept
4. Department has successfully completed first year of First batch of M.E (Construction Management) with good results
5. Mr. Urvesh Barot has received Life Time Membership With INSDAG
6. Department has conducted IITbased Two Weeks ISTE Workshop on Engg. Mechanics organized by IIT Bombay Hosted by Civil Engineering Department under the co-ordination committee of Dr. Neeraj D. Sharma , Mr. Urvesh Barot and Mr. Keyur Shah
7. Almost all staff members and final year students have attended half day ISTE Workshop On Green Building
8. Departmental staff have attended and participated enthusiastically in 2 Days Workshop on CONCRETE MIX DESIGN organized by Material Testing. Cell at SNPIT & RC in October -2013
9. Department has conducted technical visits at Ukai Dam, Sardar Sarovar Dam during this academic year

## *Faculty Achievements:*

10. Department has completed the Tacheometry survey tour at Ambaji Hills and visited Indian Survelogical Department in April-2013
11. Post Graduate students have gone through considerable field sites and attended conferences for the technical enrichment
12. Department has associated with VishwakarmaYojna for the planning of Infrastructure Facilities in Urban Village and Governed by GTU, Ahmadabad.
13. Mr. Hiren Rathod and Rushabh Shah have attended 2 Days Workshop at Nirma University in Oct. 2013 and One Day Workshop at CHANGA alongwith Post Graduate Students.
14. Mr. Rushabh Shah has won 1st Prize at in Smt. S. R. Patel College, Unjha for Paper Presentation in NCIET-2014
15. Mr. Bhavin Kashiyani has presented 1 Paper On Plastic Waste at SVIT Vasad in Dec 2013
16. Considerable research papers have been published by students of P.G course of Construction management in International Journals
17. P.G Course of construction management has progressively admitted 16 Seats of students against intake of 18, which is noticeable in its own.
18. More than 40 Students and 3 Faculties members have appeared in GATE Exam-2014.

# Co-curricular Activities:

During the year 2013 department has organized several workshops and seminars for students as well as faculties to enhance their knowledge for advancement in recent trends in technology, which includes...

1. A workshop on “Energy Conservation Awareness” for faculty as well as students was conducted by GEDA, Vadodara on 14th March 2014.
2. Five days Workshop on Industrial Automation and Programming for final year students was conducted by National Infotech, Surat during 24th to 28th June 2013.
3. Nuclear Energy Awareness program for Electrical and Mechanical Faculties was conducted by experts from KAPS, NPCIL on 20th & 22nd July 2014.

Department has organized online objective type examination for students on AAKASH Tablet for the subject Electrical Machine on September-2013, in association with Workshop Remote Centre, IIT, Mumbai under the banner of ISTE Student Chapter.

## *Faculty Achievements:*

1. Prof. Rakesh J. Motiyani has published research paper in International Journal of Electrical Engineering Technology on “Graph Theoretic Approach to Solve Measurement Placement Problem for Power System State Estimation” in March 2013.
2. Prof. Rakesh J. Motiyani and Prof. Ankur Desai have published research paper in the National conference in Recent Trends in Electrical Eletronics and Communication Engineering at M S Universit, Vadodara on “Energy Conservation using Variable frequency Drive in Pumping Application” in January 2014.
3. Prof. Payal K. Joshi has published a research paper in 8th IEEE Internation Conference on Industrial Electronics and Applications held at Melbourne, Australia on “Simulation of Single Phase Shunt Active Filter for Domestic Non-linear Loads” in June 2013.
4. Prof. Himanshu N. Chaudhari, Prof. Maulik A. Chaudhari and Prof. Dhrupa M. Patel have published a research paper in International Journal of Research in Engineering and Technology on “Comparison of symmetrical and asymmetrical cascaded current source multi-level inverter” in September 2013.
5. Prof. Ankur P. Desai has published a research paper in International Journal of Advancements in Research & Technology on “Electromagnetic Model of An Arc” in March 2013.
6. Prof. Himanshu N. Chaudhari, Prof. Maulik A. Chaudhari and Prof. Dhrupa M. Patel have published a research paper in International Journal of Research in Engineering and Technology on “Comparison of symmetrical and asymmetrical cascaded current source multi-level inverter” in September 2013.
7. Prof. Himanshu N. Chaudhari, Prof. Maulik A. Chaudhari and Prof. Dhrupa M. Patel have published a research paper in International Journal of Engineering Science and Research Technology on “Analysis and Simulation of Asymmetrical current source Inverter” in February 2014.
8. Prof. Himanshu N. Chaudhari, has published a research paper in International Journal of Electrical Engineering and Technology on “Analysis and Simulation of Multilevel Inverter using multi carrier based PWM Control Scheme” in May-June 2013.
9. Prof. Himanshu N. Chaudhari has published a research paper in International Journal of Engineering & Technology on “Comparison of Asymmetrical Cascaded Multilevel Inverter Control Techniques” in June 2013.

# *Faculty Achievements:*

10. Prof. Anil N. Navle and Prof. Achal B. Mistry have published a research paper in International conference on Electrical Engineering & Computer Science on “Power System Stabilizer using Fuzzy Logic Controller” in March 2013
11. Prof. Ankur P. Desai has published a research paper in International Journal for Scientific Research & Development on “Analysis Increasing Network Signal of Dongle” in June 2013.
12. Prof. Ankur P. Desai & Prof. Rakesh J. Motiyani have published a research paper in International Journal for Scientific Research & Development on “A Symmetric Key Generation for File Encryption and Protection using/by USB Storage Device” in June 2013.
13. Prof. Ankur P. Desai & Prof. Rakesh J. Motiyani have published a research paper in International Journal of Electrical Engineering & Technology on “Three Phase Shunt Active Filter with Constant Instantaneous Power Control Strategy” in August 2013.
14. Prof. Janak B. Patel has published a research paper in International Journal for Scientific Research & Development on “Modeling Analysis & solution of power quality problem using DUR & DSTATCOM” in July 2013.
15. Mr. Chirag A. Patel is admitted for M.Tech. Program at SVNIT, Surat, under the Institute Sponsored Category.

# *Department Achievements :*

1. Dr. Piyush Jain has completed the Doctoral Degree in mechanical stream in the field of COMPOSITE MATERIALS from the SVNIT, SURAT in SEPTEMBER 2013.
2. Prof. Fenil Desai and Prof. Priyank Dave have completed the MASTER OF ENGINEERING in 2013

## *Activities*

1. Internal combustion engine lab is developed with highly sophisticated instruments in which V-ENGINE, which is only available in our institute in the entire south Gujarat zone-5. This engine is capable of working on multiple fuels.
2. Faculties of CAD/CAM field had developed the potential and the knowledge of the students in the field of modeling and analysis which is extremely beneficial for the students for the industrial applications.
3. Total 6 numbers of international and national papers published from the department during the 2013.
4. Total 11 faculties from mechanical department has attended the ISTE work shop on ENGINEERING MECHANICS held by IIT, BOMBAY and SIGNALS AND SYSTEMS held by IIT, KHARAGPUR.
5. The department has organized number of industrial visits for filling the gap between theoretical concepts and practical concepts.

**Sr.No**

**INDUSTRY/ INSTITUTE**

1. SUMUL DAIRY UDHYOG, SURAT (7TH SEM)
2. SVNIT, SURAT (7TH SEM)
3. HYDRAULIC POWER STATION, UKAI (5TH SEM)
4. JAY AMBE METALS INDIA PVT.LTD, SURAT (5TH SEM)
5. KAKARAPAR ATOMIC POWER STATION, KAKARAPAR (5TH SEM)
6. BARDOLI KHAND UDHYOG, BARDOLI. (3RD SEM)

# *Paper Publications*

1. Prof. ANIL J PATEL (International conference on energy efficient technologies for sustainability-organized by IEEE)
2. Prof. FENIL J DESAI (23rd national conference on I.C. engine & combustion at SVNIT, Surat.)
3. Prof. FENIL J DESAI (2nd national conference on thermal, fluid & manufacturing science at institutions of engineers surat.)
4. Prof. PRIYANK DAVE (International journal of innovative research in science, engineering & technology.)
5. Prof. SHALIN MARATHE (International journal of mechanical engineering and technology. (IJMET))
6. Prof. SHALIN MARATHE (International journal of engineering research and applications. (IJERA))

# *Sponsored Candidates*

1. Mr. Deep Parekh and Mr. Jayesh Parekh were sponsored for the Post Graduate studies from our institute at SVNIT, SURAT.
