**S. N. Patel Institute of Technology &
Research Centre, UmraKh
(A Vidyabharti Trust Institution)**

VISION

To be recognized globally as a peer technical and research institution by facilitating transformation of students into ethical citizens and competent technocrats to meet the growing technological and socio-economic needs.

MISSION

- **To provide high quality, innovative and globally competitive learning experience through creative balance of academic and extracurricular programs in collaboration with other academic and research institutions as well as government bodies.**
- **Enable students to develop skills to solve complex technological problems of current era through industry-academia interaction and mould themselves as future leaders.**
- **To synergize the students, staff, society and industries by developing competency, employability, entrepreneurship and research skills.**
- **To promote new ideas, research and consultancy services for industrial and societal needs.**

MESSAGE FROM MANAGING TRUSTEE

**Shri. Manharbhai L. Patel**

Let us think of education as the means of developing our greatest abilities, because in each of us there is a private hope and dream which fulfilled, can be translated into benefit for everyone and greater strength for our nation.

Vidyabharti Trust was established in 1983 with an aim to impart technical education to the doorsteps of rural society, as there was a dearth of technical manpower.

In the last two decades College of Engineering have achieved excellence in providing quality technical education. Students from all over India are seeking admission to these colleges. The SNPITRC is approved by AICTE, New Delhi & Affiliated to the Gujarat Technological University, Ahmedabad.

We are striving hard to provide all kinds of facilities in the campus to the students for all-round development.

I have persuaded faculty members to acquire higher qualification from reputed Institutes and to do research related to the need of the Society.

MESSAGE FROM SECRETARY

**Shri. Kiritbhai N. Patel**

have been working in past, to build a bright future. I am grateful to Principal Dr. Piyush Jain for taking the college to new heights. We really wish that people of this remote rural area get true education and become better technocrats.

An educational college is meant for the complete Physical, intellectual, emotional, social, aesthetic, moral and spiritual development of pupil-teachers. This college has made long strides in every sphere and has carved a special niche for itself in the field of education. Being associated with this institution, we are committed to provide a forum to the students and faculty, not only to express their experiences and thoughts but also unfold their hidden talents. The sole mission of this institute is to enable the students not only to make themselves successful in their professional field. I am confident that all the members of staff, who are the backbone of educational institute will work as one team, as they

laboratories, library and computer-room with internet connectivity. On behalf of the entire management I assure all the students and well-wishers that infrastructure, academic environment, human resources, professional teaching skills and learning process will be maintained with your active participation, and this institute will continue to progress in coming years too.

It is a matter of great pride that S. N. Patel Institute of Technology & Research Centre, UmraKh has made consistent progress, year after year, in the field of technical education. The institution has always been trying to prepare technocrats to face the global challenges and serve the nation. Our aim is to impart the education which enables one to become independent and to cultivate will-power not only to conduct the learning process, but also to strengthen one's character. Being a member of the management in the capacity of Joint Secretary, I personally feel proud to be the part of this institution which has been equipped with spectacular multifaceted infrastructural and state-of-art

...: BEST WISHES FROM OTHER TRUSTEE MEMBERS ...:

Empowerment of students for their all round development through education is our cherished motto. Today education means much more than merely acquiring knowledge. It is acquisition of knowledge and skills, building character and improving employability of our young talent, the future leadership.

Management, steps taken by our college administration, the willing contribution of the teaching and non-teaching staff and over whelming response and enthusiastic participation of our dear students in the college activities in the recent past all vouch for this. When all the constituents come together and work in unison, the expected results are bound to flow.

I congratulate all the contributors and the editorial board for bringing out such a beautiful annual report. wishing you all the best...!

FROM PRINCIPAL'S DESK

**Dr. Piyush S. Jain**

"Education is not preparation of life, education is life itself."

-John Dewey

We affirm that education begins at birth and continues through life. Our complete focus is to provide a support center to our children so they continue learning and developing towards becoming whole and healthy individuals.

We work with the core belief that wisdom can be cultivated gradually amongst all individuals. It is not enough to make children literate and academically intelligent what is more important is to make them wise so that they are able to use their intelligence judiciously.

We believe that true wisdom is the ability to listen to your heart and that each child's self esteem, dignity, physical and emotional well being must be cultivated with the same importance as that given to academic and material success. The educational needs of today are very different from those of the past because of growing competition and with the progress of science and technology. The students must be equipped with the skills required to face the challenges of future. They can do it easily if we can make the surrounding stimulating and purposeful.

FROM ADMINISTRATOR DESK

SNPIT&RC, UmraKh has a good reputation in the field of higher education in Bardoli, Surat and nearby places . This center of learning concentrates on overall development of the students and to connect them to the rest of the world. Our aim is to help the students to develop their potential academically, socially, emotionally, physically, morally, spiritually and aesthetically.

We create a challenging learning environment that encourages high expectations for success. Our college promotes a safe, clean, calm, orderly, caring and supportive environment free from all distractions of the city. We are providing all academic excellence with very good laboratory, Infrastructure and library.

**Prof. Akshay R. Gupta**

It gives me immense pleasure to express that SNPITRC is going to put forward its second issue of the magazine “Annual Report-2020”, a forum for the expression of literary and creative impulses of students and faculty members.

Publication of the magazines is extremely important on academic environment in enhancing and developing the editorial skills among the knowledge-oriented students.

I would like to take this opportunity to thank the respected Principal Sir Dr. Piyush S. Jain who has been a constant source of inspiration for making the publication of the magazine a reality. I would also like to extend my sincere gratitude to the management for their moral support. At last, I express my sincere thanks to SNPITRC family for its continuous support in bringing out the Annual Report in front of everyone.

**Dr. Arif M. Varsi
(Mech. Engg. Dept.)**

Vidyabharti Trust is the name associated with education for more than three decades near Bardoli of Surat district and has now evolved as a symbol of quality education dedicated to nurture the talent and aspirations of the bright youth of our nation.

...: GLIMPSES OF DEPARTMENTS ...:

CHEMICAL ENGINEERING

The Department offers Undergraduate Program in Chemical Engineering Course Since 2012. The Department consists of highly qualified young and dynamic faculty members. The Department is having state of art laboratory facilities (NABL accredited) comprising of equipment like indigenous Continuous (2-50 kg/hr) and batch (5 kg) Pyrolyser, Gas Chromatograph (GC), Atomic Absorption Spectrophotometer (AAS) and many more. The Department has established strong relations with industries (GPCB approved Schedule-I Environmental Auditor) to achieve academic excellence along with up-to-date training on current professional practices.

The Department also offers consultancy services to the industries and industrial problem solving through industry-interaction. The Department has organized many training programs for professionals and for faculty members in area of core chemical engineering, environmental engineering and biofuels. The Department has won many prestigious National awards from various organizations like Ministry of Chemicals & Fertilizer, New Delhi & Indian Society for Technical Education (ISTE). The Department has acquired many R & D projects from Government of India such as Ministry of New & Renewable Energy (MNRE), New Delhi and Gujarat Energy Development Agency (GEDA), Gandhinagar.

SCOPE OF EMPLOYMENT

- Chemical Engineers work in production, design and construction of pharmaceuticals, petrochemicals, food processing, specialty chemicals, polymers, biotechnology and environmental industries.
- Placement in leading core chemical companies like HUL, Reliance Industries, Essar Oil, EIL, Cadbury India, Dr. Reddy's Laboratories etc. are the top recruiters hiring Chemical Engineers.

CIVIL ENGINEERING

The civil engineering department is running Bachelor of engineering course since 2009 having the current intake of 120 seats and Post Graduate (M.E) program since 2012 with 18 seats.

The prime goal of the department is to bridge the gap between Rapidly expanding technology demands with innovation, research-based by using skilled/quality conscious approach to achieve an admirable grip in the academic field of civil engineering.

The branch imparts a wide range of technical education tracks starting from fundamentals to advanced methodologies of civil engineering field. It offers bright and promising career opportunities and professional advancement.

The department of Civil Engineering ensures that the students have the opportunity to work with latest technologies and equipment along with innovative thinking and to get exposed to prevailing civil engineering projects on the field as well as in industries.

SCOPE OF EMPLOYMENT

- Government Organizations such as Road & Building Department, Public Works Department (PWD), Irrigation Department, water supply and sanitation board etc.
- Students can get a chance to work in private construction companies for the real execution of civil engineering structures.
- In Civil Engineering consultancy like Material Testing, Project Management, Design of Structures etc.
- A Civil Engineer can work as the entrepreneur in the Research & Development Organizations.

COMPUTER SCIENCE & ENGINEERING

SNPIT & RC is committed to the development of top class technical manpower which can help the Indian Industry in attaining excellence and also earning a reputation of being a dependable source of technical knowledge and expertise abroad. The department of Computer Science & Engineering will see that the students from the department are adapting themselves to ever changing concepts and innovations with the belief that technology makes it possible to gain control over every aspects of human life today.

The Department of Computer Science & Engineering, an integral part of SNPIT & RC aims at bringing out the technical and inherent talents of the young and budding Engineers. The Department was established in the academic year 2008 - 2009 which offers a four year B.E degree program with an intake of 60 students.

Computer Science & Engineering is a highly-paid profession involved with cutting-edge technology development. With a vision to create the engineers as technical intellects, the department is continuously making efforts to bridge industry and academia.

SCOPE OF EMPLOYMENT

- Placement in BARC, BSNL, NIC, ISRO, UPSC, GPSC and many government sectors
- Placement in IT Companies (TCS, Microsoft, Infosys, Accenture and many MNCs)
- CSE Graduate Engineers can be placed as
- System analysts
- Database Administrator
- System / network professionals
- Software developers in IT companies
- Data analyst
- Business analyst
- Software Tester

ELECTRICAL ENGINEERING

- With the inception of Gujarat Technological University, SNPIT & RC started Electrical Engineering Department in 2008 with the intake of 60. The current intake of Electrical Engineering Department is 120.
- The department is enriched with latest and well equipped laboratories, test rigs, machines, software packages and many more facilities to augment quality of teaching learning process.
- Introduction of new courses from time to time enables the students to keep abreast of recent technological development. The Department has always strived for excellence and receives grants to develop and modernize its laboratories.
- The Department has strength of 16 Assistant Professors, 3 Lab Assistants and 1 Electrician.

SCOPE OF EMPLOYMENT

- Electrical engineering is one sector that is rapidly increasing with growing demands for enhanced equipment, processors & machinery, further leading to the generation of numerous job opportunities in this branch.
- Engineers can work in atomic power plants, hydro or thermal power plants. Job opportunities are provided in both private and public sector like railways, civil aviation, electricity board and utility companies, electrical design and consultancy firms and all types of manufacturing industries.
- Companies like DGVCL, MGVL, UGVCL, PGVCL, GETCO, GNFC Bharuch, GSFC Baroda, ABB, Bajaj International Private Ltd, Crompton Greaves Limited, Siemens Ltd, Reliance Power Ltd, Oil and Natural Gas Corporation (ONGC), Bharat Heavy Electricals Limited (BHEL), Steel Authority of India Limited (SAIL), Coal India Limited (CIL), Power Grid Corporation of India Limited (PGCIL), Centre for Electronics Design and Technology and Wipro Lighting are the biggest employers hiring Electrical Engineers.

LABORATORIES

MECHANICAL ENGINEERING

- SNPIT & RC established in 2008 with 240 intake. Mechanical Engineering was one of the stream since inception with 60 intake. In 2010, intake increased to 120. Post Graduation course in Production Engineering with 24 intake sanctioned in 2014.
- The department has an excellent industrial interaction and organized Industrial Visits based on various subject fields. Department has also organized STTP, FDP, Workshops, Seminar and Expert Lectures to improve extra skills and knowledge of students as well as Faculties.
- Department consist of all well equipped laboratory with sophisticated instruments.
- The departmental subjects are categorized into major areas viz.
- Thermal Engineering
- Fluid Power Engineering and Fluid machines
- Machine Design
- CAD/CAM
- Production Engineering

SCOPE OF EMPLOYMENT

- In a wide range of exciting industries, including Aerospace, Automotive, Biomedical, Chemical, Computers, Electronics, Fossil and Nuclear Power, Manufacturing, Pharmaceuticals, Robotics and Textiles.
- In areas of Research & Development, Design, Testing and Evaluation, Manufacturing, Operation and Maintenance, Marketing, Sales and Administration.
- In Public Sector Units like Railways, ONGC, Indian Oil, ISRO, SAIL, NTPC, DRDO and IAF.

ELECTRONICS & COMMUNICATION ENGINEERING

The Department, headed by Assistant Professors who are experts in their own disciplines, aims at educating and training students with sound knowledge and awareness in the latest trends in Electronics & Communication.

The Department has an ardent ambiance to channelize the effort of students and enhance their technical skills since 2008. The department courses are composed of subjects giving extensive coverage to basic principles and exposing students to both theoretical concepts and practical aspects.

SCOPE OF EMPLOYMENT

- Electronics and Communication Products and Solutions are used in various industries across the world. Major Industries which offer Jobs for E&C Engineers are Electronics Circuit Design, Signal processing, Wireless Communication, Optical Communication, Robotics, Embedded Systems, Analog electronics design, Digital electronics, Telecommunications, Power Electronics, Consumer Electronics, Control systems, VLSI, Defence, Micro/Nanotechnology, Mobile Companies.
- Placement in leading core communication companies like BSNL, MTNL, Reliance Communications, Tata Telecomm, Hutch, Bharti Telecom, Airtel, Nokia, CISCO, IBM, Intel, Agilent, Alcatel, AT&T, Ericsson, Honeywell, Bosch, National Instruments, IBM, Texas Instruments, HCL and others.

Sanitization of Mind

Gujarat Technological University (GTU) and Shri Sitarambhai Naranjibhai Patel Institute of Technology and Research Centre (SNPITRC), Umrakh-Baben had jointly organized a webinar on the topic "Sanitization of Mind". Param Pujya Gyan Vatsal Swami, an ardent speaker of BAPS, joined us to provide thematic guidance in which more than 4 lakh students of GTU as well as all teaching and non-teaching staff of more than 486 colleges affiliated to GTU gets benefitted.

The chief guest of this program was Shri Ishwarbhai Parmar (Cabinet Minister - Department of Social Welfare), the special guest was Prof. (Dr.) Navin Sheth (Vice Chancellor, GTU) and Prof. Dr. K.N. Kher (Registrar, GTU) remains present.

During this corona time, students are faced with embarrassing questions like when will the exam be held, when will the admission start, what will happen in the future as well as where the students who will pass this year will get the job and will also get the job related to the study. That's why this webinar was organized.

The entire program was being conducted under the guidance of Mr. Manharbhai Patel, Managing Trustee of Vidyabharati Trust, Mr. Kiritbhai Patel, Secretary, Mr. Ashwinbhai Patel, Co-Secretary.

Schedule of program:

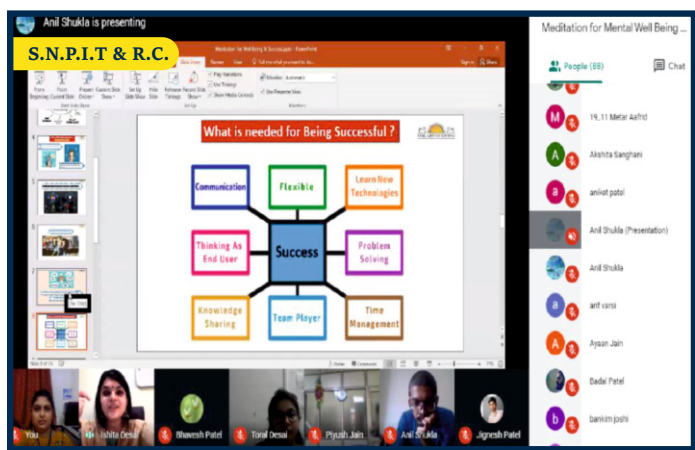

1. Welcome Speech: Dr. Piyush Jain (Principal, SNPITRC): 3 min
2. Prof. Dr. Naveen Sheth (Vice Chancellor, GTU): 5 min speech
3. Shri Ishwarbhai Parmar (Cabinet Minister - Social Welfare Department): 7 min speech
4. Thematic Guide: Param Pujya Gyan Vatsal Swami (BAPS): 60 min
5. Vote of Thanks: Prof. Dr. K.N. Kher (Registrar, GTU): 3 min
6. Shanti path: 1.5 min

Major objectives of the organised workshop were:-

- ☞ To understand AI with deep learning at its core.
- ☞ To present recent trends and motivate researchers and students to persuade the field.

The topics covered in the organised workshop were as follows:-

- ✱ Overview of Artificial Intelligence.
- ✱ Difference between Machine Learning and Deep Learning.
- ✱ Difference between Supervised and Unsupervised Learning.
- ✱ Reinforcement Learning.
- ✱ Neural Networks and Logistic Regression.
- ✱ Gradient Descent and its variations.
- ✱ ROI methods and depth wise separable convolution.
- ✱ COVID-19 detection by using AI.
- ✱ Ornithology.
- ✱ Bird identification system based on Neural Networks and AI.
- ✱ Generative Adversarial Networks.
- ✱ NADAM Optimizer.

Thus, many concepts related to Deep Learning were discussed in details in the organised workshop.

The workshop was beneficial for both students and faculty members.

Department	Date	No of Participants	Grant	Coordinator
Electrical Engineering	20 th -21 st January 2020	153	40,000/-	Prof. Denish Prajapati Prof. Payal Tandel

This program mainly was intended to sow the seed of Electrical Technology in Automobiles Domain, where primary focus was on two aspects:

- ❶ The basic fundamental concept of Electric Vehicle &
- ❷ To share the case studies and implementation on recent advancements on Electric Vehicle and Hybrid Electric Vehicle concept.

The workshop started with an Inaugural function and all the dignitaries on and off the dias were greeted with a Floral welcome and Guests taking part in Deep Pragatya ceremony. The first session was taken by Dr. Varsha A. Shah, where she enlightened students with introducing parts and classification of Electric Vehicles, and further in session 2 she also covered concepts of Hybrid Electric Vehicle by introducing Batteries/ Fuel cell. The last session was taken by Prof. Kashyap L. Mokariya, where he discussed feasibility of Electric vehicle into Power grid mentioning the pros and cons of creating common bus, and various research area which are possible for advancements of the charging station.

The Next day, Prof. Nikunj R. Patel took over the session and motivated students regarding job opportunities in future automobile industry. He also shared the usefulness of ANSYS simulation software in the design of magnetic circuits and electric motors. The program concluded with a group photo thereafter, a memento presented to Guest speakers, and vote of thanks given by coordinators, and Principal of SNPIT, Umrakh Dr. Piyush S. Jain.

Department	Date	No of Participants	Grant	Coordinator
Chemical Engineering	21 st January 2020	73	30,000/-	Dr. Mirral Thakkar Dr. Rohini Singh

OBJECTIVES OF THE PROGRAMME:

Major objectives of the organised workshop were:-

- To understand novel techniques of separation
- To gain knowledge regarding the application of membrane separation technology in the industrial sector.

The topics covered in the organised workshop were as follows:-

- ✱ Overview of membrane and its types with recent advances in separation techniques based on size, surface properties and other special characteristics of substances
- ✱ Application of different membrane modules and commercial application of UV, RO and membrane reactor
- ✱ Prominent membrane-based processes capable of removing contaminants of various sizes
- ✱ Research scenario in the area of membrane separation technology in India as compared to other countries.
- ✱ Enhancement of awareness of students toward the research in the area of membrane synthesis and utilization for solving numerous environmental issues related to water and air pollution.
- ✱ Classification of membrane separation processes
- ✱ Types of flow in membrane and membrane process characteristics
- ✱ Different types of membrane and membrane modules
- ✱ Useful concepts such as Microfiltration, Ultrafiltration, Nanofiltration, Reverse Osmosis and Pervaporation

Thus, each and every concept related to the membrane separation technology was discussed in details in the organised workshop. The workshop was beneficial for both students and faculty members.

OUTCOME OF AN EVENT:

Overview of membrane and classification of membrane separation processes were discussed in details. In addition, types of flow in membrane and membrane process characteristics were also explained. Different types of membrane and membrane modules were illustrated as well. Useful concepts such as Microfiltration, Ultrafiltration, Nanofiltration, Reverse Osmosis and Pervaporation were explained. Factors affecting the performance of membrane separation were also discussed by the respected speaker. Prominent membrane-based processes capable of removing contaminants of various sizes were discussed. In addition, papers published in the field of membrane separation were highlighted to motivate the students towards the research in the area of membrane synthesis and utilization for solving numerous environmental issues related to water and air pollution.

:: Women's Day Celebration ::

It is said that the beauty of a woman does not lie in the dress she wears, it does not lie in the figure she carries and it does not even lie in the hair she combs instead the beauty of a woman lies only and only in her eyes. And, so was the day when Vidyabharti Trust celebrated the beauty of womanhood on 6th March 2020, giving each woman wings of its Institution to fly.

The privilege to have 'Ms. Asha Ben Dave' as Chief Guest among us who is an Immediate Past President of SGPC affiliated with NPC under Commerce Ministry, Government of India and a team leader at CED, GOG for South Gujarat and is the first lady office bearer (Hon. Secretary) of the Southern Gujarat Chamber of Commerce & Industry SGCCI, Surat in the history of 76 years was then honored and other distinguished guests were felicitated too.

The beloved Principal, Dr. Piyush Jain then addressed the vivacious women and greeted them great strength on the occasion. It was then followed by a vibrant speech by Ms. Dave where she emphasized the need to pause for a moment to reflect on ourselves, to appreciate how much has been done and what more needs to be done in the field of gender equality.

She was then presented a token of love to spare her valuable time and share her presence. The formal function then was called off with a national anthem sung all together. The stage was then overtaken by Prof. Akshita Gupta who anchored the program and added great pomp with her poetry and humor.

The performances delivered by students and a faculty were the highlights of the event where girls from different colleges of the Institution either tapped their feet to peppy songs or presented a mono-acting show or narrated poetry leaving everybody nostalgic. The great fest was then put to an end with a musical dance to DJ and scrumptious snacks leaving all in an awe of cherishable moments.

:: Sainik Welfare Fund ::

“Regard your soldiers as your children, and they will follow you into the deepest valleys; look on them as your own beloved sons, and they will stand by you even unto death” - Sun Tzu

“We sleep safely at night because rough men stand ready to visit violence on those who would harm us”. - Winston Churchill

As our institute aim for the overall development of student as well as we strongly believe that the Activities outside the class room buttress the student's retention and help in augmenting academic performance of the students. The Collection for Sainik Welfare Fund was carried out on 13th March 2020 at SNPIT & RC Campus.

The three basic purpose of collection of fund were:

- ✓ Rehabilitation of battle casualties
- ✓ Welfare of serving personnel and their families
- ✓ Resettlement and welfare of ex-servicemen and their families.

All the NSS Volunteers were distributed in 3 teams in different colleges of our campus.

The total collection received was Rs 23173/-. And then the cash was converted to the cheque and send to GTU.

:: Covid-19 Activity ::

Coronavirus disease (COVID-19) is a new strain that was discovered in 2019 and has not been previously identified in humans.

The virus that causes COVID-19 is mainly transmitted through droplets generated when an infected person coughs, sneezes, or exhales. These droplets are too heavy to hang in the air, and quickly fall on floors or surfaces.

You can be infected by breathing in the virus if you are within close proximity of someone who has COVID-19, or by touching a contaminated surface and then your eyes, nose or mouth.

Meeting Agenda on 13th April 2020

1. Poster making about Covid -19 awareness
2. Video making regarding stay home- stay safe
3. Downloading Aarogya Setu app
4. Registration on IGOT
5. Do service nearby area with safety first
6. Mask preparation from home

Total number of participants: 42

National Service Scheme (NSS)**:: World Environment Day Celebration ::**

“Beat Plastic Pollution”, the theme for World Environment Day 2020, is a call to action for all of us to come together to combat one of the great environmental challenges of our time. Chosen by this year's host, India, the theme of World Environment Day 2020 invites us all to consider how we can make changes in our everyday lives to reduce the heavy burden of plastic pollution on our natural places, our wildlife – and our own health. While plastic has many valuable uses, we have become over reliant on single-use or disposable plastic – with severe environmental consequences. Around the world, 1 million plastic drinking bottles are purchased every minute. 500 billion disposable plastic bags are used worldwide every year. In total, 50 per cent of the plastic we use is single use. Nearly one third of the plastic packaging we use escapes collection systems, which means that it ends up clogging our city streets and polluting our natural environment. Every year, up to 13 million tons of plastic leak into our oceans, where it smothers coral reefs and threatens vulnerable marine wildlife. The plastic that ends up in the oceans can circle the Earth four times in a single year, and it can persist for up to 1,000 years before it fully disintegrates. Plastic also makes its way into our water supply – and thus into our bodies. What harm does that cause? Scientists still aren't sure, but plastics contain a number of chemicals, many of which are toxic or disrupt hormones. Plastics can also serve as a magnet for other pollutants, including dioxins, metals and pesticides. Shri Sitarambhai Naranjibhai Patel Institute of Technology and Research Centre, UmraKh and Vidhyabharti Trust campus colleges jointly organize tree plantation on the occasion of world environment day on 5th June 2020. In this event all trustees and various college principals were present.

:: International Yoga Day ::

“Yoga is the journey of the self, through the self, to the self” -Verse-4, Chapter 15, Bhagavad Gita.

“Outwardly performing all actions but inwardly renouncing their fruits, the wise man, purified by the fire of transcendental knowledge, attains peace, detachment, forbearance, spiritual vision and bliss.” -Verse-1, Chapter 5, Bhagavad Gita.

International Yoga Day 2020: Why Practicing Yoga is Significant During COVID-19 Pandemic?

The coronavirus pandemic and the ensuing lockdown and limitations have forced individuals to battle every day with their new way of life. Likewise, there is steady dread of the infectious sickness, vulnerability about the future, budgetary instability, work misfortunes, changing work propensities, social removing – standing up to these issues can be stressful for your mind and body. This can prompt mental issues like stress, anxiety, and despondency that can influence your physical wellbeing. An investigation distributed in The Lancet Psychiatry diary has additionally recommended that COVID-19 survivors may endure psychological well-being issue like Post-Traumatic Stress Disorder (PTSD).

In the interim, yoga specialists are upholding recuperating and elective treatments as extraordinary choices to handle this pandemic circumstance. A large number of them guarantee that yoga can assume a ground-breaking job in battle against the novel coronavirus while improving the physical and mental prosperity of people. On the day of International Yoga Day 2020, we spoke to a famous yoga master to reveal some insight into the advantages of practicing yoga during this difficult time.

The International Yoga Day-2020 was celebrated on 21st June 2020 due to corona time from home, of the institute to bring peace, harmony, happiness and success to every soul in the world. This was a great opportunity to imbibe the value of discipline. The campus community including students, staff, faculty and NSS Volunteers participated from home. The event started at 7: 00 AM in the morning. The session was started with a warming up session (neck rotation, shoulder rotation, hip and knee rotation etc.) which was followed by the session on Asanas. Various Asanas were performed as per the guidelines given by the AYUSH MINISTRY (CYP- Common Yoga Protocol's). These included asanas in standing positions (such as Tadasan, Vrukasan etc.), asanas in seating position (Bhadarsan, Shashankasan etc.), Sleeping position on stomach (Bhujanhgasan, Makrasanetc), Sleeping position (Sarvangasan, Shavasan).

What are the awareness levels in the villages regarding Covid-19?**VILLAGE: UMRAXH**

Umrakh is a Village in Bardoli Taluka in Surat District of Gujarat State, India. It is located 29 km towards East from District headquarter, Surat and 276 km from state capital Gandhinagar.

Census Parameter	Census Data	Census Parameter	Census Data
Total Population	1496	Scheduled Tribes Population %	72.1 % (1079)
Total No of Houses	337	Scheduled Caste Population %	6.8 % (101)
Female Population %	48.7 % (729)	Working Population %	56.40%
Total Literacy rate %	79.0 % (1182)	Child(o -6) Population by 2011	143
Female Literacy rate	36.5 % (546)	Girl Child(o -6) Population % by 2011	51.7 % (74)

We had visited this village on 29th June 2020 collected information regarding awareness in Umrakh there is no corona positive patient in village people are extremely good aware about covid virus. Everybody in village wear mask and they put sanitizer at common places like PHC center, Gram panchayat office, shop.etc.

Village activity during this pandemic time

1. Door to Door sanitization has been done by the panchayat 2 times
2. Free Ayurvedic kadha distribution several times
3. Homeopathic immunity booster medicine distributed door to door
4. Door to Door health surveillance
5. Any time doctor or nurses available in PHC center
6. Maintain social distancing is compulsory in village
7. Wearing a mask is compulsory

How did the village withstand various challenges by covid -19?

1. 100 bed covid care center is running at distance 6 km from umrakh village
2. 50 bed Umrakh multispecialty hospital running 24*7

What are the best strategies or measures adopted by the village to combat challenges posed by covid-19?

1. Door to Door surveillance by health worker
2. 14 days compulsory quarantine for NRI
3. Visitor to the village have to compulsory inform to the panchayat

Annual Day HARMONY 2020

Annual Day for **TALENTEEDGE.....** A day to celebrate the past achievements and look forward to the journey ahead 20th February 2020 was chosen as the date for this year's event to set the stage at Shri Sitarambhai Naranji Patel Institute of Technology & Research Centre for unveiling the journey and what we aspire to achieve in the years to come.

A magical aura was complied with admirable Trustees Shree Kiritbhai Patel(Hon. Secretary), Shree Ashwinbhai Patel (Co- Secretary), Shree Hasmukhbhai Patel, Shree Bharatbhai Patel, Shree Harshadbhai Patel, Shree Mahendra Patel, Shree Ratilalbhai Patel(Hon. Donor) and beloved Principal -Dr. Piyush Jain, Department Heads and Event coordinators.

Mr. Pankaj Chawda, the man with a distinct vision and an idol of knowledge and experience working as Assistant General Manager at L&T, Surat was the elite Chief Guest and Dr. J.N Patel was the esteemed Guest of Honor who has made all of us gratified by his distinguished work in numerous capacities and is serving as a Professor at SVNIT, Surat. Lighting a lamp before a ceremony spreads divine grace. So, the Excellences initiated the event dispelling darkness with it.

All the distinguished guests were then felicitated. Dr. Piyush Jain, honorable Principal then overtook the stage and addressed the vibrant gathering. Mr. Pankaj Chawda highlighted the necessity to get more and more involved into apt implementation of technology for moving towards holistic development.

It took immense pleasure to warmly invite Dr. J. N. Patel to give his valuable message to the vivacious audience and then the Event Co-ordinator Prof. Payal Tandel laid down emphasis on Annual Report. The event was then proceeded to reap the deeds and efforts of meritorious faculties and students what they had sown through 'Prize Distribution'.

A token of love was then genially presented to treasured Chief Guest and the Guest of Honor. A vote of thanks was given by Organizing Secretary Prof. Rushabh Shah to the panel of dignitaries for sparing their precious time to the function. In order to give a hike and respect to the evening, all stood and sang national anthem altogether.

Students then overtook the stage and proceeded with displaying their hidden talents in one form or the other. Some throbbed the heart of the audience with their power pact dance performances whereas some made the environment all serene with their flawless singing and there were few who with their hilarious acts made the audience go roll down the floor with laughter.

Prize distribution ceremony was then made to recognize the talent of students in various fields like academic, art, culture, sports etc. and to honor the extra-ordinary contribution of various faculties. The most anticipated number was fantabulous 'Fashion Show' based on the theme of 'Halloweens' and it did turn out to be the most loved one

Making 2020 a memorable one all over again, 'HARMONY' did do justice to its name by making things fall back in peace and symphony.

Sports Week-2020

Games and sports is one of the extra-curricular activities of a college curriculum. It is an indispensable activity of every educational institution. It is indispensable in the sense – sport is a part of play and the inborn play nature of a child and the sports are inextricably link with each other. Without games and sports, college education will go handicap.

As such, colleges organize sports obligatorily once as per the academic program in a calendar year. It is momentum duration of joy and jubilation and an enthusiastically awaited relaxing time interval from toils of boring bookish engrossment and endless tiresome homework at college and at home respectively. So, organizing sports at colleges is as important as that of class activity.

As continue SNPIT & RC has arranged its 12th Sports week which was scheduled on 16th to 19th February-2020. There are various sports events carried out for boys, girls and faculty members.

Expert Lecture Delivered by the Faculties

Name of Faculty	Branch	Date	Event Name
Dr. Piyush Jain	Mechanical Engg.	24-08-2020 to 28-08-2020	Advancement in Manufacturing Technologies for Industrial Applications at Gyan Ganga Institute of Technology and Sciences.
		18-01-2021 to 22-01-2021	FRP Composites at LD College of Engineering, Ahmedabad.
		06-11-2020 to 10-11-2020	Technology Management at ABV-Indian Institute of Information Technology and Management, Gwalior.
		21-12-2020 to 25-12-2020	Mechanical and Manufacturing Engineering at Vishwakarma Institute of Information Technology Pune.
Dr. Chetan Patel	Mechanical Engg.	24-09-2020	TEQIP-3 Sponsored Expert lecture on "Recent Trends of Research in IC Engines" at BKTIT, Uttarakhand.
		20-05-2020	Online expert lecture on "New Innovation in IC Engine" at Govt. Engg. College, Patan
Dr. Damyanti G. Badagha	Civil Engg.	06-03-2020	An Expert lecture on one day technical seminar on Recent Advancement in the Research Area of Concrete with Supplementary Cementitious Materials sponsored by the Industry (Suyog Elements India Pvt. Ltd).
		29-04-2020	An Expert lecture on "Studies and Career opportunities after Engineering for Final Year Civil Engineering student from Civil engineering Department of Government Engineering College, Palanpur organized by Head of Department Prof. P. C. Vasani on 29th April, 2020.
		22-05-2020	An Expert lecture on "Repair and Maintenance Practice in Advanced Construction" organized by Civil Engineering Department of Dr. S & S S Ghandhy College of Engineering and Technology, Surat under "Learn from Home" webinar theme.
		27-05-2020	An expert on "Utilization of Supplementary Cementitious Materials in Concrete" on 27th May, 2020 organized by Civil Engineering Department of KLE College of Engineering & Technology, Chikodi, Karnataka under webinar series on "Recent Advancement in Concrete Technology" in association with ICI, ISTE, & IEI.
		09-06-2020	Webinar Lecture as an Expert On "Recent Trends in the Field of Concrete Manufacturing" Organized by The Civil Engineering Department of Oriental Institute of Science and Technology, Bhopal.
		24-06-2020	Delivered the lecture as an expert speaker on the topic "Advanced Repair and Retrofit Technology in Concrete Structure" organized under SAGE talks by SIRTE group of Institution, Bhopal.

Expert Lecture Delivered by the Faculties

Name of Faculty	Branch	Date	Event Name
Dr. Damyanti G. Badagha	Civil Engg.	29-08-2020	Delivered the lecture as an expert speaker on the topic “Advancement in Repair and Rehabilitation Techniques for Structures”, organized under STARTUP INCUBATION CENTER of Dr. Jivraj Mehta Institute of Technology, Anand.
		27-10-2020	Delivered the lecture as an expert speaker on the topic “Waste Utilization: Trash to Treasure” organized under AICTE Training & Learning ATAL Academy for Online Faculty Development Program on WASTE TECHNOLOGY, by Dr. MGR Research & Educational Institute, Chennai.
		29-10-2020	Delivered the lecture as an expert speaker on the topic “Ceramic waste Management” organized under AICTE Training & Learning ATAL Academy for Online Faculty Development Program on WASTE TECHNOLOGY, by Dr. MGR Research & Educational Institute, Chennai.
		30-10-2020	Delivered the lecture as an expert speaker on the topic “Effective utilization of Steel Industry Waste in Construction industry” organized under AICTE Training & Learning ATAL Academy for Online Faculty Development Program on WASTE TECHNOLOGY, by Dr. MGR Research & Educational Institute, Chennai.
Dr. Miral R. Thakker	Chemical Engg.	04/01/2020	Delivered an expert lecture on “Key Role of Unit Operations in Chemical Engineering Industries” to Diploma Engineering students of Chemical and Mechanical Engineering (Valia Polytechnic and N. G. Polytechnic) in Refresher Course on HEAT AND MASS TRANSFER OPERATION conducted by Chemical Engineering Department of S. N. Patel Institute of Technology and Research Centre, Umrah.
		21/01/2020	Delivered an expert talk on “Recent Trends in Separation Techniques” in one day national workshop sponsored by GUJCOST at S.N. Patel Institute of Technology and Research Centre, Umrah.
		06/02/2020	Delivered an expert talk on “Novel Extraction Techniques” to third year students of Chemical Engineering at Government Engineering College, Bharuch.
		17/02/2020	Delivered a guest lecture on “Novel Separation Techniques” to second year third year students of Chemical Engineering at Bhagwan Arihant Institute of Technology, Surat.
		18/02/2020	Delivered an expert talk on “Key Role of Unit Operations in Chemical Engineering Industries” to third year students of Diploma Chemical Engineering at Government Polytechnic, Valsad.
		29/08/2020	Delivered an expert talk on “Novel Extraction Techniques” to under graduate and post graduate students of Chemical Engineering at Vishwakarma Government Engineering College, Chandkheda.

Webinars/Workshops/FDP/STTP/Attended by Faculties

Name of Faculty	Branch	Date	Event Name
Dr. Koshal Kishor	Chemical Engg.	26-10-2020 to 30-10-2020	Green Technology & Sustainability Engineering, at Sardar Vallabhbhai National Institute of Technology, Surat
Prof. Rutal Mahajan	Computer Engg.	24-08-2020 to 28-08-2020	FDP on Datascience, NIT Hazratbal, Srinagar.
Prof. Vishal Shah	Chemical Engg.	01-07-2020 to 05-07-2020	One week short Term Training Programme (STTP) sponsored by TEQIP-III on “Research Methodology, Innovation and Academic Administration in Engineering”, organized by Chemical Engineering Department, SVNIT, Surat
Dr. Mayuri Prajapati	Civil Engg.	15-06-2020 to 20-06-2020	One Week Online FDP on ‘Research in Environmental Engineering& A Way Forward’organized by Department of Civil Engineering of Pimpri Chinchwad College of Engineering, Pune in association with Environment Conservation Association (ECA), Pune.
Dr. Damyanti G. Badagha	Civil Engg.	29-05-2020	Webinar on “Different Non-Destructing Techniques for the Evaluation of Concrete Structures” organized by Wonder Cement Limited
Prof. Bankim Joshi	Civil Engg.	28-05-2020	FDP on "Outcome Based Education Software"
Dr. Damyanti G. Badagha	Civil Engg.	28-05-2020	Webinar for faculty development program on “Outcome Based Education Software” organized by Vmedulife software services
Dr. Damyanti G. Badagha	Civil Engg.	25-05-2020	Interactive Webinar on "How to Write Research Proposal and Research Articles" delivered by Dr. Shrinivas Arkatkar (Associate Professor, Civil Engg. Dept., SVNIT, Surat), organized by Civil Engineering Department, Dr. S. & S. S. Ghandhy Government Engineering College, Surat under Indian Society of Technical Education (ISTE) students' chapter
Dr. Damyanti G. Badagha	Civil Engg.	27-05-2020	Webinar (Online Expert Talk) on “Restrained Shrinkage & Thermal Cracking in Concrete”, by Dr. K. V. L. Subramaniam, Professor, IIT Hyderabad organized by Department of Civil Engineering, K. D. K. College of Engineering, Nagpur
Dr. Damyanti G. Badagha	Civil Engg.	20-05-2020	Webinar organized by GTU – Graduate Scholl of Engineering and Technology on “Future Trends in AI”
Dr. Nisha Soni	Civil Engg.	20-05-2020	Webinar for faculty development program on “Outcome Based Education Software” organized by Vmedulife software services
Dr. Damyanti G. Badagha	Civil Engg.	19-05-2020	Webinar on “Modeling of River Reach Using HEC – RAS to assess Carrying Capacity: Case Study” conducted by GTU – Design Innovation Centre (DIC)
Dr. Damyanti G. Badagha	Civil Engg.	19-05-2020	Webinar (Online Expert Talk) on “Faecal Sludge Management; Indian Scenario & Way Forward”, by Dr. Girish H. Pophali, Senior Principal Scientist, CSIR-NEERI, Nagpur organized by Department of Civil Engineering, K. D. K. College of Engineering, Nagpur
Prof. Samarth Gemlawala	Electrical Engg.	18-05-2020 to 22-05-2020	STTP - MATLAB based teaching learning in Mathematics, Science & Engineering

Webinars/Workshops/FDP/STTP/Attended by Faculties

S N Patel Institute of Technology & Research Centre, UMRACH

A Premier Technical Institute to Learn & Grow Through Excellent Academic Environment

With its foundation for growth & development, S N Patel Institute of Technology & Research Centre (SNTIRC) has been a pioneer in the field of Technical Education. It is one of the leading technical institutions approved by the All India Council for Technical Education (AICTE), New Delhi and affiliated with Gujarat Technological University (GTU), Ahmedabad, Gujarat.

Established in 1982, S N Patel Institute has grown from an initial intake of 300 students in B.Tech. to a current intake of over 10,000 students across various engineering disciplines.

At the vision of Prof. S.N. Patel, the Institute has been working to build a vision of a premier technical institute in Gujarat. Students and faculty are working for the real world.

They have adopted the strategy by introducing a need-based curriculum and many other such initiatives for the betterment of the society. Showing all these key features of SNTIRC in the person of a student under the leadership of Prof. S.N. Patel, SNTIRC has been a pioneer in the field of Technical Education. With these all commendable qualities, SNTIRC is receiving overwhelming responses of parents & students every year by choosing the Institute for the fulfillment of their dreams to become a part of society nation & world in real manner.

પરમાર તેમના વ્યસ્ત કાર્યક્રમમાંથી સમય ફાળવી ઉપસ્થિત રહ્યા. આ કાર્યક્રમના મુખ્ય વક્તા જ્ઞાનવત્સલ સ્વામી જેઓ બીએપીએસ સંસ્થાની અંદર ૩૦ વર્ષથી પ્રમુખ સ્વામીની ભગવી સેનામાં સમાજના ઉદાર માટે રાત-દિવસ સેવા કરી રહ્યા છે. તેઓને સાંભળવા માટે હજારો વિદ્યાર્થી ખૂબ જ આતુરતાથી ફેસબુક લાઇવ ઉપર ઓનલાઇન જોડાઈ રહ્યા હતા. તેઓના પ્રવચનનું મુખ્ય વિષય મનનું સેનિટાઇઝેશન રાખવામાં આવ્યું હતું. એમણે આ વિષય ઉપર વિદ્યાર્થીઓને ખૂબ જ ઊંડાણપૂર્વક વાત

કરી તથા વિદ્યાર્થીને જીવન જીવવા માટેના પાંચ સિદ્ધાંત જેવા કે ઈશ્વીકલ વેલ્યુની જીવનમાં અગત્યતા, સખત પુરુષાર્થ, આજના રાખવી નહીં, વ્યસનથી દૂર રહેવું અને ભગવાન ઉપર શ્રદ્ધા રાખવી એવા અગત્યના સિદ્ધાંતો ઉપર માર્ગદર્શન આપ્યું હતું. કાર્યક્રમના અંત ભાગમાં જીટીયુના રજિસ્ટ્રાર ડૉ. કે.એન.ખેર દ્વારા કાર્યક્રમની જવલંત સફળતા બદલ જીટીયુ તેમજ બાબેનની એસ.એન.પી. આઈ.ટી. ઉમરાખને શુભેચ્છા પાઠવી તેમજ દરેક મહાનુભાવોનો આભાર વ્યક્ત કર્યો હતો.

બાબેનની S.N. પટેલ ડિગ્રી એન્જિનિયરિંગ કોલેજ ઉમરાખ (બારડોલી) શિક્ષણ ક્ષેત્રે હંમેશા મોખરે

આ સંસ્થા શિક્ષણની સાથે આજુબાજુના ગામોમાં સેવાની સુવાસ પણ ફેલાવી રહી છે. આજુબાજુના પાંચ ગામોને ઉત્તમ ભારત અભિયાન અંતર્ગત દત્તક લઈ ગામના સર્વાંગી વિકાસમાં કોલેજનો મહત્વનો ફાળો

સાધીપયોગ કરે છે. કોલેજમાં વિદ્યાર્થીઓએ દુનિયાનું નાનામાં નાનું સેટેલાઈટ બનાવી વર્લ્ડ રેકોર્ડ બનાવ્યો હતો. જેની દેશ વિદેશોમાં નોંધ પણ લેવાય છે. ગુજરાત સરકાર સંચાલિત સેલ GUJCOST તેમજ AICTE તરફથી મળેલ ફંડ દ્વારા વર્ષ દરમિયાન અનેક ફેકલ્ટી ડેવલપમેન્ટ પ્રોગ્રામ તેમજ શોર્ટ ટર્મ ટ્રેનિંગ પ્રોગ્રામનું આયોજન અધ્યાપકો તેમજ વિદ્યાર્થીઓના વિકાસ માટે કરે છે. આ દરેક પ્રવૃત્તિનું પ્રોત્સાહન વિદ્યાભારતી ટ્રસ્ટના મેનેજિંગ ટ્રસ્ટી શ્રી મનહરભાઈ પટેલ, સેક્રેટરી શ્રી કિરીટભાઈ પટેલ, જોઈન્ટ સેક્રેટરી શ્રી અશ્વિનભાઈ પટેલ તથા સમસ્ત ટ્રસ્ટીગણ તેમની દીર્ઘ દ્રષ્ટિથી આપતા રહે છે. ROADMAP FOR THE FUTURE

Looking back to our journey in achieving excellence in higher education, we are proud to have achieved much during this span of journey. When it is observed globally, it is noticed that the journey ahead is more challenging and long. Some of the key areas to put our efforts are mentioned below:

- ① NBA Accreditation of UG & PG Programmes upto 2025.
- ② Use of digital technological tools to enhance teaching-learning experience.
- ③ Establishment of R&D cell to develop a culture of research and innovation among students and faculty members.
- ④ Strengthening placements including trainings and internships.
- ⑤ Developing centre of excellence in the evolving sectors of engineering and technology
- ⑥ Creating institute-social agreement for socio-economic growth
